## Profile

Looking to secure a position as a graphic designer within an art department where I can enhance my creative and technical skills. I have strong layout, typographic and illustration skills and am highly proficient designing with Adobe Creative Suite. I particularly enjoy working in Photoshop, InDesign, Illustrator, and DreamWeaver and also have a working knowledge of Maya, a 3D animation program. I enjoy working collaboratively in a team environment as well as independently.

## Spirit of Huntington Art Center / Design Internship

HUNTINGTON, NEW YORK SUMMER 2019

As a design intern I worked under the direction of the Art Director and was responsible for managing their Constant Contact accounts. In this capacity I created design prototypes of banners and ads. I also designed a series of advertisements for classes they were offering during the summer.

## Lab Technician I Long Island University,

BROOKVILLE, NEW YORK SUMMER 2019

Worked under the direction of the computer lab manager I was responsible for assisting in the maintenance of an extensive Macintosh based facility that included over 100 networked workstations. Other responsibilities included updating software, and maintaining a range of peripherals that included printers, die-cutters, and scanners.

## Private Accounts / Co-Founder

2013 - PRESENT

I am maintain private landscaping services for three clients on Long Island. This involves taking care of their properties, designing new gardens from existing materials that the owner already has through transplanting.

## LaMay Tree Service / Landscaper

HUNTINGTON STATION SUMMERS 2018-20,

I spent the past two summers working at this full service tree company that offers a variety of landscaping services. My main role in the company is renovation landscaping. As part of a team that designs clients' outdoor properties I assisted in planting trees, bushes, shrubs in an aesthetically pleasing way.
