MEMORANDUM

Dear Scholarship Committee,

I am writing this letter on behalf of Justin Schecher, a student in the Digital Art & Design program at LIU Post. Justin is enrolled in my CGPH 8 Advanced Digital Illustration class. Justin is polite, professional and is a talented designer. He always attends class and produces his assignments on time to the best of his ability. Justin appears highly committed to his academic career and on track to become a successful design professional.

I would highly recommend Justin Schecher for the O'Malley Grant based on his performance in my class this semester.

Sincerely,

A handwritten signature in black ink, appearing to read "Terence O'Daly", with a small dot at the end.
